## November 2021

Hi Shedders,

It is so good to be back at the Shed.

Everybody is just carrying on as though we have never been away, so good to see. But you must remember that Covid rules still apply and everyone must adhere to them in the strictest

of measures. Please refer to your emails in regard to the restrictions in place.

A big thankyou to Rob Musson for being our Covid Marshal and he is doing a fantastic job, well done and thank you.

Since being re-opened it has been a pleasure to invite new members, who I am sure, will fit in very well with everyone else.

I would like to thank Dale and Fred for their excellent effort in building a new shed for our compressor, which is a new addition to the shed, and it is very much appreciated. Thank you.

Our garden suffered tremendously throughout the shut down, and I would personally like to thank whole heartedly with our Gardeners, Barry, Lou, Mike and Ian Lupson for doing the tip run and Dennis for doing the whipper snipping and everyone else who was involved in the big job. Now the garden area is looking great, ready for our new plantings.

We have been invited to a Bunnings Night Market on 9<sup>th</sup> December, where we can sell any of our wares, which will be a good night, also we have a Bunnings Sausage Sizzle on 11<sup>th</sup> December, please see Mike Newman to put your name down for

helping on the day. Once again thanks Mike for organising this event.

Once again a big shout out to Albert for selling shed items on line whilst in lockdown and he has made a great contribution to the coffers. Thank you Albert.

The Shed presented a wreath by Mike Newman at the RSL on Remembrance Day. Thank you Mike.

A huge shout out to our sickies, especially the ones that have been and are still in hospital, we hope for a speedy recovery and to see you all back at the Shed real soon.

Quilty really enjoyed being back with the boys and went to every single guy for her cuddles.

If you know of anybody needing help in any way whatsoever, please either contact myself or any other Committee Member and we will do our best to accommodate your needs.

And remember

"IF YOU NEVER HAVE A GO YOU WILL NEVER EVER KNOW"

## Great news, the shed reopened on Wednesday 3rd November

Covid Marshall Rob Musson

The shed was reopened on the 3rd November with the following RESTRICTIONS

1/ All members and visitors must report to Rob Musson the Covid Marshall or his deputy PRIOR TO going anywhere else on the property.

2/ You must report to the Covid Marshall PRIOR to parking your car in the back

3/ You must be double covid vaccinated and show proof to the Covid Marshall

4/ You must either use the Victoria QR code check in or use the QR kiosk and show evidence to the Covid Marshall

5/ Face masks must be properly worn inside and outside.

The Committee appreciates that these are hard rules,

but they are there for 2 reasons;

- 1/ If we break them the shed and individual could be heavily fined and even closed
- 2/ It is all done to protect you and me.

It is pleasing to see that members are adhering to the covid rules and respecting the directives from the Covid Marshall and the committee
