President Report

July 2023

It's been a relatively productive month, the SES delivered another load of timber and PVC for our attention, a massive team effort has seen the required Blocks, Wedges and PVC sleeves produced in short order. As a bonus we were able to deliver a dozen wedges, made from offcuts to the members of Sunbury SES for their training requirements.

Another substantial batch of children's tables and chairs have been provided to the Macedon Ranges Montessori Preschool, a great effort seeing we kept borrowing resources for the SES job.

The last Bunnings Sausage Sizzle resulted in a good profit, but we do need new blood on the team doing the work, if you have not helped lately put your name down for the next one that appears on the notice board.

Donated tools seem to be flavor of the month, a huge number of items have been received in the last few weeks, the team have been working feverishly to sort, clean and test these items for the next garage sale. We may need to have one earlier than expected keep an eye out for the date, there is a large amount of effort required to run an effective sale and assistance will be required.

The absence of the Secretary (Holidays) and the Treasurer (Unexpected) was challenging, however, we coped well due to the efforts of the assistants and others.

All in all a profitable month.

We say this often but volunteers are always needed and appreciated, if you can help out please do so.

A friendly reminder Please leave the area you are working in, the kitchen and the bathrooms in better condition than how you found them.

Don't wait to be asked to volunteer, offer to volunteer

Thoughts on Being a Senior Citizen

Senior citizens are constantly criticized for every conceivable deficiency of the modern world, real or imaginary. We know we take, responsibility for all we have done and do not try to blame others.

HOWEVER, upon reflection, we would like to point out that it was NOT senior citizens who took:

The melody out of music,
The pride out of appearance,
The courtesy out of driving,
The romance out of love,
The commitment out of marriage,
The responsibility out of parenthood,
The togetherness out of the family,
The learning out of education
The Golden Rule from rulers,
The nativity scene out of cities,
The civility out of behaviour,
The refinement out of language,
The dedication out of employment,
The prudence out of spending,
The ambition out of achievement.

And we certainly are NOT the ones who eliminated patience and tolerance from personal relationships and interactions with others!

And, we DO understand the meaning of Patriotism, and remember those who have fought and died for our country.

YES, I'M A SENIOR CITIZEN!

I'm the life of the party.....Even if it lasts until 8 p.m.
I'm very good at opening childproof caps.....With a hammer.
I'm awake many hours before my body allows me to get up
I'm smiling all the time,
Because I can't hear a thing you're saying.
I'm sure everything I can't find is in a safe, secure place, somewhere.
I'm wrinkled, saggy, lumpy, and that's just my left leg.
I'm beginning to realize that ageing is not for wimps.
Yes, I'm a SENIOR CITIZEN, and I think I am having the time of my life!
Because I can't hear a thing you're saying.
I'm sure everything I can't find is in a safe, secure place, somewhere.
I'm wrinkled, saggy, lumpy, and that's just my left leg.
I'm beginning to realize that ageing is not for wimps.
Yes, I'm a SENIOR CITIZEN, and I think I am having the time of my life!

JOKE CORNER

- What's the secret to having a smoking hot body as a senior?
Cremation.
- What is a prize old people can win for aging?
Atrophy.
- I used to know a couple who grew fruit trees together. They lived to a ripe old age.
- What's the best part of old age?
That it doesn't last very long.
- These are not gray hairs! They are wisdom highlights.
- Which underwear brand do seniors love best?
It Depends.
- Old age makes us great multitaskers. Why, I can sneeze and pee at the same time!
- One benefit of old age is that your secrets are always safe with your friends ... because they can't remember them!
- Age is an issue of mind over matter. If you don't mind getting older, then it really doesn't matter.
- Why do old people love English muffins so much?
All the nooks and grannies.
- Stop thinking of them as "hot flashes." Think of them as your inner child playing with matches.
